Explore Christchurch

Christchurch, the hub for South Island exploration is also a wonderful city that blends modern architecture and technology with the existing 19th-century Anglican 'gothic revival' architectural influence. Often remembered for its earthquake in 2011, the city is rebuilding itself as a multi-cultural haven. So, without further delay, jump on the historic tram to learn the history, tales and culture of Ōtautahi Christchurch.

Enjoy your free time as you explore the Arts Centre, Quake City Museum, Christchurch Art Gallery, and Botanical Gardens. Ride on the city tram to uncover Christchurch's great history, or relax as you punt on the Avon River. There is also a multitude of delicious cafes tucked into quaint side streets we're sure you will love. If you are in the mood for something different, set off for Akaroa, an 'incroyable' French coastal settlement just an hour and half from the city centre.

Dinner awaits as you join your fellow travellers once again to tell them about the exciting places you have discovered.
